2023 Conference & Celebration

Panelists: Liz Woody-Remington & Dr. Stephanie Stollar

For the second consecutive year, we held our statewide virtual ReadingPals Conference & Celebration! We heard from experts in early literacy, mentoring, and social-emotional development. We discussed concepts, skills, and insights that can be applied as volunteers, parents/caregivers, teachers, and supporters.

Volunteer Quotes:

“Childhood literacy is key to the future success of our world. This is a foundation that cannot be ignored and must be supported and nurtured.”

“I want children to be encouraged to read for the joy it brings and the doors it opens for knowledge.”
